**Community Engagement** – Report by Char and Caitlynn

Char and Caitlynn attended some of the Trillium Community Conversations on Collaboration, Engagement, and integration in October in Multnomah, Clackamas, Reedsport, and Harrisburg counties. The meetings were well attended. The other counties were very interested in what Lane County was doing in rural areas. At the Reedsport meeting, their members reported transportation issues from Scottsburg and Elkton.

**6. Advance Directives** – Planning for situations when you can't make your own healthcare decisions

Deferred to a later date.

**7. Prevention Plan 2020-2021** - Report by Jacqueline Moreno, Lane County Public Health Prevention Program. (plan attached to email). Jacqueline reviewed the plan with the CAC members. After reviewing the plan, the motion to approve the plan was motioned for Silverio Mogart and Michelle Thurston seconded the motion. Members voted to approve the plan. The plan now goes to the Governing Board for approval.

**8. CCO 2.0/Trillium Questions and Answers:**

CAC members brought forth questions and concerns regarding CCO 2.0. One of the main concerns was all the different letters coming to clients with different information. There should be a letter coming from the Oregon Health Authority that will help clear up concerns and be easier to understand. Attached to the minutes is a copy of the letter that Trillium is sending out to their members.

**Next meeting: November 25, 2019, 12 – 2 p.m.**
