

# Secure Provider Portal

## Secure Provider Portal

Manage patient administrative tasks quickly and easily.

### Visibility of Multiple TINs

One point of entry allows for quick and easy access to Allwell from Trillium Medicare Advantage member information for multiple TINs/practices.

### Access Daily Patient Lists from One Screen

One concise view allows primary care providers to scan patient lists for Trillium Medicare Advantage member eligibility, care gaps, and much more.

### Manage Batch Claims for Free

Submit and manage claims, including batch files, for free. View detailed Electronic Funds Transfer (EFT) payment history.

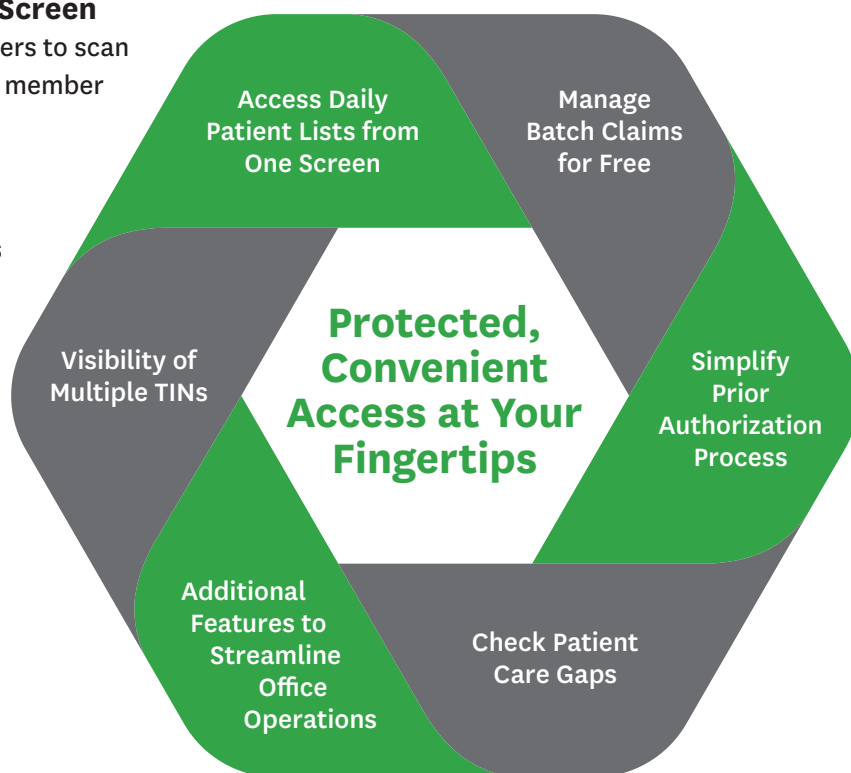

### Simplify Prior Authorization Process

#### Authorization Process

“Smart Sheets” feature prompts for required clinical information when submitting prior authorization requests.

#### Additional Features to Streamline Office Operations:

- View patient demographics and history
- Secure messaging between provider and Trillium Medicare Advantage
- Update provider demographics
