Community Advisory Committee

The CAC met on December 22 at Lane County Youth Services. There was a brief business meeting prior to the holiday party. During the business meeting, the CAC approved the appointment of Eric Van Houten to the committee. Members who had attended the Coordinated Care Model Summit in Portland shared their experiences and what they learned. The consensus was that it was a valuable experience. The meeting was adjourned and Committee members enjoyed the opportunity to eat and socialize. Many thanks were given to Tara Da Vee, who supplied party activities and to Trillium which supplied the decorations and treats.
