Report to the Governing Board
October 2016**

Rural Advisory Council

The Rural Advisory Council met on October 14th at Trillium. Debi and Lucy gave the Trillium report. The RAC members who attended the OHA Policy Board Listening Session reported on the event and encouraged other members to participate through the survey. Debi gave an overview of the CHIP Implantation structure. Emily Bear, from Lane County Public Health, reported on a new coalition effort focused on underage drinking.

Jennifer Webster, Lane County Public Health, gave a presentation on the Prevention Proposal for 2017. The CAC approved the proposal and urges the Governing Board to give its approval to the plan.
