

### **Rural Advisory Council (RAC)**

The Rural Advisory Council meet in Florence on March 10<sup>th</sup>. The RAC members discussed a new recruitment flyer and gave feedback on the content. They agreed to disseminate the flyers when the flyers were finished.

There was also a discussion of the incentive measures which had worse performance in the rural areas. The goal is to identify areas that the RAC could focus on improving.

The members also spent time discussing equity issues and reviewing information and tools that were highlighted at the “Ally is a Verb” event.
