RE: Protected Health Information of Member

Dear Member,

On June 2, 2020, Trillium learned about a hacking incident. The incident resulted in a potential breach of your Protected Health Information.

Trillium works with Magellan. Magellan helps your doctors make decisions about care.

On April 6, 2020, a hacker sent a phishing email to Magellan. A Magellan employee opened the email. Opening the email may have given the hacker access to your information.

Magellan discovered the problem on April 11. Magellan hired Mandiant to learn what happened. Mandiant blocked the hacker's access.

Magellan took action to protect your information. They promptly contacted law enforcement, including the FBI.

Then, Mandiant worked to find out what information the hacker viewed.

Magellan made its online security better. Trillium continues to work with them. Trillium is focusing on preventing future incidents.

On June 2, Magellan told us the hacker might have seen your name or other information.

The other information is treatment or account information, member number, other health-related information, email address, phone numbers, and/or physical address.

The information did not include your Social Security number. The information did not include other financial information.

We included the "Information about Identity Theft Protection" guide. This guide may help you to take action.

Please keep a copy of this letter. Please review documents you receive from Trillium. If you receive documents for care you did not have, please contact us at the phone number below.

Trillium takes the security of your health information very seriously. We sincerely regret any concern or inconvenience this incident may have caused you.

Information About Identity Theft Protection Guide

Contact information for the three nationwide credit-reporting companies is as follows:

Equifax	Experian	TransUnion
Phone: 1-800-685-1111 P.O. Box 740256 Atlanta, Georgia 30348 www.equifax.com	Phone: 1-888-397-3742 P.O. Box 9554 Allen, Texas 75013 www.experian.com	Phone: 1-888-909-8872 P.O. Box 105281 Atlanta, GA 30348-5281 http://www.transunion.com/

Free Credit Report. We remind you to be vigilant for incidents of fraud or identity theft by reviewing your account statements and free credit reports for any unauthorized activity. You may obtain a copy of your credit report, free of charge, once every 12 months from each of the three nationwide credit reporting companies. To order your annual free credit report, please visit www.annualcreditreport.com or call toll free at 1-877-322-8228. You can also order your annual free credit report by mailing a completed Annual Credit Report Request Form (available from the U.S. Federal Trade Commission's ("FTC") website at www.consumer.ftc.gov) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281.

Security Freeze. Security freezes, also known as credit freezes, restrict access to your credit file, making it harder for identity thieves to open new accounts in your name. You can freeze and unfreeze your credit file for free. You also can get a free freeze for your children who are under 16. And if you are someone's guardian, conservator or have a valid power of attorney, you can get a free freeze for that person, too.

How will these freezes work? Contact all three of the nationwide credit reporting agencies – Equifax, Experian, and TransUnion. If you request a freeze online or by phone, the agency must place the freeze within one business day. If you request a lift of the freeze, the agency must lift it within one hour. If you make your request by mail, the agency must place or lift the freeze within three business days after it gets your request. You also can lift the freeze temporarily without a fee.

Don't confuse freezes with locks. They work in a similar way, but locks may have monthly fees. If you want a free freeze guaranteed by federal law, then opt for a freeze, not a lock.

The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, display your name and current mailing address, and the date of issue.

Fraud Alerts. A fraud alert tells businesses that check your credit that they should check with you before opening a new account. As of September 18, 2018, when you place a fraud alert, it will last one year, instead

of 90 days. Fraud alerts will still be free and identity theft victims can still get an extended fraud alert for seven years.

Federal Trade Commission and State Attorneys General Offices. If you believe you are the victim of identity theft or have reason to believe your personal information has been misused, you should immediately contact the Federal Trade Commission and/or the Attorney General's office in your home state. You may also contact these agencies for information on how to prevent or avoid identity theft. You may contact the Federal Trade Commission, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, DC 20580, www.ftc.gov/bcp/edu/microsites/idtheft/, 1-877-IDTHEFT (438-4338).

Reporting of identity theft and obtaining a police report. You have the right to obtain any police report filed in the United States in regard to this incident. If you are the victim of fraud or identity theft, you also have the right to file a police report.

For Oregon residents: You are advised to report any suspected identity theft to law enforcement, the Federal Trade Commission, and the Oregon Attorney General.
